## HORTICULTURE DISPLAYS OF INTEREST AT BIG PAGEANT

The fair at San Carlos is bringing to the front many horticultural possibilities of the county which heretofore have escaped general notice. The oranges and grapefruit exhibited by Mrs. Bonestel of Las Pulgas district, are as fine as any grown in the better known citrus sections and are a surprise to many who thought that oranges could not be grown in San Mateo county Jim LaDieu of Redwood City also helped to explode the myth that only southern California could produce lemons He exhibited one lemon which weighed three pounds and was 10 1-2 inches long and 8 1-2 inches in diameter and two smaller one which weighed about two pounds apiece He says a lemon of this kind is nothing around his place. The feijoa exhibited by Mrs. Bonestell is a new fruit to many. It is a native of Mexico and unlike many of the tropical fruits it matures its fruit just as well here as in the warmer climates of the southern country. The fruit of the feijoa is very adaptable to canning or making of jelly. It is also very palatable when eaten raw. The flowers of the flowering eucaliptus grown by the exhibitor also attracted a great deal of attention by reason of their beauty.

The exhibit of everlasting flowers by the Montara Everlasting Flower nursery is attractive as well as unique. The display of blossoms by the Redwood City Japanese Nurserymen's Association is deserving of special mention both for the variety and for the artistic arrangement of the flowers exhibited. The Menlo Park Horticultural Society and friends of that organization also have beautiful collections of flowers, one of the largest individual exhibitors being H. C. Smith of Atherton

A fine exhibit of the hose beans developed by Frank Bell of San Gregorio, which has attracted considerable attention because of their excellent qualities and which were the subject of a bulletin of the State Agricultural College is another feature worthy of notice, as are the large telephone cucumbers and artichokes from the coastside.

Taken altogether the exhibit of agricultural and horticultural products grown within this county will compare favorably with those of any county in the state and great credit is due those who have taken the pains to produce such fine specimens of fruit and flowers as are now on exhibit at San Carlos.

## Shriners Off for Big Conclave

W. T. Chubbok, proprietor of the Peninsula garage, and Mrs. Chubbock left Wednesday for a month's visit in the eastern states. As Mrs. Harding is to entertain the ladies of the Shrine at the White House, Mrs. Chubbock will have the opportunity of meeting the First Lady of the Land.

After the convention the Chubbocks will spend a few days at Mr. Chubbock's old home in Harrisburg, Pennsylvania, and will then visit Mrs. Chubbock's sister in New York City. They will return by way of the Canadian Rockies.

## MISS ELIZABETH KING CALLED TO THE BEYOND

Miss Elizabeth H. King passed away at the home of her sister, Mrs. Dolly Granger, last Monday, following a brief illness. Miss King was working as a trained nurse in San Francisco and had come to visit her mother and sister in Redwood when she was taken ill. She suffered an attack of heart trouble which resulted in her death.

Miss King was well known in Redwood City, where she was born and raised. She attended the local grammar schools and graduated from Sequoia high school, and for a time taught school in the Ferris district, this county. Later she decided to take up the profession of nursing and graduated from the Waldeck hospital a trained nurse. After her traning period Miss King spent many years nursing in the Hawaiian Islands and about five years ago returned to California and practiced her profession in San Francisco, where she has since been located.

The deceased is the daughter of Mrs. Honora King and the late Geo. King. The following sisters and brothers survive: Mrs. Dolly Granger of Redwood City, Frank King of Reno, Nevada, Walter King of King's Mountain and Mrs. Josephine Berry of San Francisco.

The funeral was conducted by Rev. C. L. Peck at the home of Mrs. Granger on Phelps street last Tuesday. Interment was in Cypress Lawn cemetery.

## AUTO ENTERS REAL ESTATE OFFICE

After taking half of the wheels from a car driven by Harry Odeen of Palo Alto, a car driven by J. A. Quarry of San Francisco turned across the highway and entered the real estate office of Leonard & Holt through the corner of the building, taking most of the north side of the building in after it. The car, probably attracted by the bright colors of the little real estate office, was saved from total wreckage by the light construction of the building, which it damaged to the extent of about $600.

Mr. and Mrs. Odeen of Palo Alto who were in the car which was struck by Quarry before he left the highway escaped without injury to themselves, but had to leave their car and go home on the train. Quarry was taken to the county jail by Officers McAuliffe and Kreiss. He was charged with reckless driving and illegal transportation of liquor as the officers found him to have wine in his possession.

Quarry appeared before City Recorder Mansfield's court last Thursday and was sentenced to 50 days in jail or $100 fine and was released on $350 cash bail.

## LOCAL HOTEL TO HAVE NEW FRONT

Redwood City's pioneer hotel, the old Redwood City House is being extensively repaired and improved by its present owner, Mrs Cecelia Graves. The old hotel which was one of the most popular on the peninsula in early times was built and operated by Mrs. Graves' father the late Chris Hynding, and was built in the prevaling style of architecture of the sixties.

The entire front of the building will be remodeled and refinished in stucco. The long porch which extended along the front of the building has been removed and will be replaced with concrete. A small building belonging to the same owner and now occupied by Wm. Hogan, will be similarly improved.

The new front of the Redwood City House will add one more step in the transformation of the old Redwood City The buildings which made up the town of a few years ago have been replaced one by one until the scenes of many events which of upmost importance in early days exist only in the memories of some of the old timers among us.

## Poor Fish Had Best Beware

Ed S. Stack, deputy county auditor, his brother James H. Stack of Burlingame, William T. Young, the San Mateo painter and Daniel G. Farley of the San Francisco traffic squad, will leave today for a three week camping and fishing trip in the big timber country.

## PESCADERO HIGH EXHIBITS GIVEN FIRST PRIZE AT SAN CARLOS

The exhibit of the Pescadero High School at the ePninsula Pageant of Progress was awarded first prize among the feature exhibits of the fair The booth of the coastside school was a representation of the Pigeon Point district and represented in miniature the point, lighthouse, bay and hills. In the background, the sun is seen rising over the hills, its rays represented by alternate sectors of orange and blue crepe paper, which forms the entire back of the booth. On the miniature rocks of the coast lay stranded models of the various wrecks which have in times past gone to pieces on the stony shores of the point

The idea was developed, and the work done, by the students of the little high school and by the able assistance of their principal, Ed Williman, to whom much credit is due, not alone for the present example of school activity, but for the creditable showing made by the little school one of the youngest high schools of the county in every line of endeavor.

## Pescadero, by the Surging Deep

A good part of our populatian spent Friday at the Peninsula Pageant of Progress in San Carlos, observing School Children's Day. The pupils from here attended in a body and participated in the various events arranged by the Pageant committee. The coast side has shown more than usual interest in the finely concerted effort that the Pageant made to place the peninsula conspiciously in the thoughts of the people here and elsewhere

Superintendent of Schools, Roy W. Cloud, made several trips to Pescadero over the past week, giving the county examinations and looking over educational institutions under his watchful supervision.

Memorial Day was fittingly observed here on Wednesday The occasion was marked by very impresive ceremonies under the auspices of the Pebble Beach Parlor of the Native Sons and the immediate direction of Mr. Edgar Shaw, recording secretary of the parlor. The school children led by Miss Pinkham sang the "Star Spanged Banner" and renewed their pledge of allegiance to the American flag as it was hauled aloft. Following this was a parade of considerable length and some magnificence formed by the Native Son and Native Daughter, the I. D. E. S. and the pupils of the gramar and the high schools At the cemeteries the graves of the departed were strewn with bouquets, wreathes and emblems of the various orders.

Extreme low tides teatured the last week end, and were taken advantage of by the great number of abalone hunters. Scores of the latter could be seen camping along the beach between Bean Hollow and Anno Nuevo. The moon was high and the winds were low ,and many a song the campers sang strolling along near the edge of the foam-tipped breakers, golden in the moon light.

Memorial Day saw an enormous amount of traffic thru Pescadero and down over the finely paved coast road past the Point to the county line The state offers few drives more attractive than that along this fine stretch. On the one side are beautiful forests of Monterey Pine standing out against the rugged chalk hills while on the other abrupt clifts and long stretches of gleaming white beaches run off into the placid waters of the ocean where great ships can be seen heading for and away from the San Francisco harbor.

## Ship Lands With Booze at Halfmoon

According to San Francisco reports a large ship is supposed to have laid outside of the three-mile limit coast of Halfmoon Bay and to have landed a large quantity of liquor which was then transported to San Francisco by trucks. The boat is said to be flying the flag of the Republic of Nicaragua. According to a statement made by Prohibition Inspector Samuel Rutter, the boat is the largest yet reported in the rum running trade.

## Sec. Smith Suffers Nervous Break

Secretary R. H. K. Smith of the Redwood City C. of C., suffered a severe nervous breakdown this week, brought on, it is said by overwork and worry in managing the Peninsula Pageant. Smith has been living on his nerve for the past three weeks and working long hours every day. The strain finally became too much for his nerves and he suffered two acute attacks. Physicians ordered him to take a rest and as a result he left for Los Angeles to regain his health this week.

## Auto Turns Over On Highway

C. J. Carr, 121 Clinton street, narrowly escaped serious injury when his automobile overturned on the San Fransisco highway at San Carlos Monday night.

Carr, who is a radio operator on the S. S. Los Vegas, running between San Francisco and Australia, was forced to come to a sudden halt when another machine stopped on the highway directly in front of him. The pavement was slightly wet and Carr's machine after skidding from the highway turned turtle pinning him beneath the steering wheel. Presence of mind in dropping to the floor of the machine as it overturned, saved Carr from being crushed in the wreckage, witnesess said.

He escaped with a few scratches and returned to his ship none the worse for the accident according to friends here. The driver of the automobile which caused the accident drove away in the darkness.

As a result of a terrific beating, administered to Joseph Baker, 108 Bancroft way, Burlingame, at the Granada hotel, near Halfmoon Bay, last Sunday, George Triplett, laborer, and George Secker, truck diver, both of Redwood City were arrested early yesterday on charges of battery.

## MASONS INVITED TO LAY CORNER STONE AT NEW HIGH SCHOOL

The board of trustees of the Sequoia Union High School voted last Thursday to invite the Grand Lodge of Masons of the State of California to perform the ceremony of laying the cornerstone of the new high school building. The date for the ceremony could not be definitely set but will be left to the convenience of the Grand Lodge. Arrangements will be made with the state body by the local lodge of Masons, and the date set for some time in June.

The ceremony of laying the cornerstone as practiced by the Grand lodge of California is the same in all respects as that by which the cornerstone of the national capital building at Washington was laid by the Grand Lodge of Virginia of which Washington was Grand Master. The corner stone of nearly every state building has been laid with the same impressive ceremonies and Sequoia district is fortunate in being abe to have the new building given so auspicious a start.

The corner stone of the new high school at Mountain View was laid by the same body about a month ago, at which time a large delegation of Redwood City people journeyed to the neighboring town to witness the ceremonies.

## Woodside Breezes

Some weeks ago I spoke of the illness of Mrs. Richey, mother of Mrs. Wm. Welch, at the home of her daughter here. This illness was more serious than we then supposed and on Tuesday the summons came for her from across the great divide. She was born in Louisiana seventy-seven years ago, but had lived the greater part of her life in California.

Louis Largarde starts this week on his annual trip into the mountains of Siskiyou county. He has a mining location there that furnishes the excuse for these trips, but I think, for him, the lure of the trail is as potent as the lure of gold. For this is the region of great silent spaces with hunting and fishing almost unspoiled, where the night stars are brighter than with us here and where the wind croons its lullabys among the resinous pines. He will be gone for three months.

So large is our colony of horsemen and horsewomen growing that a club has been formed to ride and explore the mountain trails. No sport could give greater returns in healthfulness or greater pleasure in its following.

We are sorry to note the severe illness of Mrs. W. D. Keyston. The Keystons have a very attractive cottage here in which they have spent the summer months for many years. Her many friends in Woodside will hope for her speedy recovery.

It is reported that Ed Greeley has disposed of his property to a San Francisco capitalist. It will make a splendid building site and we hope it may be speedily improved, but it will seem strange to see another occupant of this property that has been for so many many years in the possession of the Greeley family.

Examinations have begun in the local school and all question of sports has given way to the all-absorbing question in the mind of each pupil, "Will I be promoted?" If the pupils could be induced to take as much interest in that question throughout the year what a wonderful school it would be.

### SEQUOIA TAKES PRIZES

## SCHOLARSHIP SOCIETY OF SEQUOIA HIGH SCHOOL SOCIALIZES

The Scholarship Society of Sequoia Union High School enjoyed a fine time and a good dinner at Trahans Monday night. There were forty-six girls and three male members present and several invited guest.

Mr. B. E. Myers head of the Commercial department had charge of the arrangements and much of the success of the evening was due to his foresight.

After the dinner, Miss Agnes Flynn, senior student, took charge and made a most excellent and witty toastmistress. She first called on Miss Artha Gordon, the youngest member of the society, who entered Sequoia last September, just a short time prior to her eleventh birthday and who is an A student.

Other members who responded to toasts were Miss Margaret Kalenborne, Joe Weeden, Miss Irene Crosbie and Willard Converse. All of these students gave excellent talks and told what might be accomplished in high school providing the pupil is in earnest.

Miss Julianna Walters, Mr. John Gill, Miss Catherine Boyle and Mr. A. C. Argo gave inspiring and entertaining talks that caused the young people to think about the privileges which they are enjoying. Roy W. Cloud, county superintendent of schools, and a Sequoia alumnus, talked on citizenship in school and in life.

The meeting was very much worth while from every point of view and was thoroughly enjoyed by everyone present.

## Runnymede Cacks and Cackles

Miss Emily Gravestock of Runnymede was crowned queen of the Peninsula Pageant of Progress at San Carlos Sunday. The coronation was witnessed by scores of her "subjects" from Runnymede. Her pages Alfred Albertson, George Hand and Loren Ford, and the flower girls, Gracie Parkin, Jean Towers, Iola Barcilles, Berenice Sekera Marsha Furbush and Margaret Hand, were all from Runnymede and the flowers which they carried were grown in Runnymede gardens.

A. E. Gravestock, father of the queen, was chancellor at the ceremonies The candidates for queen who received the highest number of votes in their respective communities were maids of honor

Runnymede is happy in the honor of having Miss Emily Gravestock, one of our girls, as Queen of the Pageant of Progress, and happy, too, in the united effort of evrybody to make the Runnymede 49'er Club a credit to the community. There has not been one slacker and everybody has given time when they could hardly do. so

T. T. Gravestock and daughter, Catherine, of Patterson visited the A. E. Gravestock home Saturday.

Mrs. Phobe Price and Miss Orfa Jean Shontz of Los Angeles same Monday for the funeral of their sister, Mrs. Frank Crighton

Mr. and Mrs. E. R. Lam visited friends in Campbell Saturday.

The school board have re-elected all the following teachers in the school for the coming year. Mrs. Hampton, principal; Miss Berenice Ewell, 5th and 6th grades; Miss Ruth Harris, 3rd and 4th grades; Miss Aurelia Waston, 2nd and 3rd grades; Miss Louise Clark, 1st grade

J. Pollard, who is in the Palo Alto hospital is getting along nicely and Mrs. Paterson is also improving.

E. R. Lam spent Tuesday in the city at a director's meeting of the Poutly rAssociation.

Mr Thomas Twiggs of Salt Lake City is here for an extended stay with his sister, Mrs. Goldup and family on Cherry street and her brother. Robt Twiggs, who is inspecting post offices on the coast, was here for a short visit with them this week.

Mrs. Arthur Muzzy who has been in the east for several months, is on her way home.

Chris Olson, brother of M. P. Oleson, has returned to Tacoma, Wash., after a couple of weeks spent at the Oleson home.

Mrs. Geo. Hand and Miss Lily Haskew spent a few days in Sacramento this week.

Mr. and Mrs. Herbert Collins of Berkeley, cousins of the Crowthers and Crightons, spent Saturday visiting here.

Frank Heider of Sacramento, was a visitor at the home of the Geo. and Frank Hand homes this week.

Lawrence Lam and Mr. McDonald were down from the city to spend the day at the Lam home Sunday.

The death of Mrs. Frank Crighton saddened the people of Runnymede Sunday morning. While ill for some time, her death came unexpectedly. She was born in Tavistock, Canada, September 6, 1867, living in Canada until seven years of age, when the family moved to Iowa. The greater part of her life was spent there and in Idaho until coming to California 3 years ago in an effort to regain her health after a severe attack of the influenza. Mrs Crighton was active in the Woman's Club and always interested in anything for the good of the community. Besides her husband Frank Crighton, she leaves, two sons, N. Holden of San Francisco and Edward Holden of Eureka, California; two daughters, Mrs. Philip Reeder of Wieser, Idaho and Miss Patsy Crighton of Runnymede; two brothers, Charles Shontz of Eugene, Oregon; Oscar Shontz of San Diego; three sisters, Mrs. Frank Crowther of Runnymede; Mrs. Phoebe Price and Miss Orfa Jean Shontz of Los Angeles.

## REQUEST CHANGE OF NAME IN SAN MATEO'S HIGH SCHOOL DIST.

County Superintendent of School, Roy W. Cloud, received this week a petition from the board of education of the San Mateo High School district, asking that the name of the district be changed from San Mateo district to Peninsula district. This petition the county superintendent of schools will transmit to the county board of supervisors that they may set a date for the hearing of the matter. The change is desired because with the opening of the Burlingame school there will be a school in Burlingame but in the San Mateo district, so it was felt that the present name would be misleading.

### SCHOOL DAY AT THE SAN CARLOS EXPOSITION

The San Mateo School Day at the Peninsula Pageant of Progress yesterday was a great success. Practically all of the schools of the county were represented and a number of parents accompanied the boys and girls to San Carlos.

The athletic and field events were the big attraction of the day and the South San Francisco grammar School was the winner of the first place. Jefferson School of Colma came in second, San Mateo third and Redwood City fourth. The only acciden to mar a perfect record was when Principal L. E. Adams of South San Francisco, shot his finger with the starting pistol. The wound was not serious, however, and was dressed in the emergency ward.

A Chinese operetta given by the children of the Central School and directed by Miss Gazely, the music and drawing instructor of the Redwood grammar schools, attracted much attention and received very favorable comment, as did the performance of the Sequoia Union High School Orchestra in the afternoon.

The Pageant was well attended and all the concessions did a record business. All the schools of the county were closed for the day and thousands of children ,accompanied by their teachers and parents, visited the big tent at San Carlos.

## MEMORIAL DAY

Wednesday, May 30, Memorial Day was celebrated as it should have been in our city. Servicescommemorative of the occosion were held and our boys and girls marched behind the soldiers of the Civil and World wars and learned some lessoss of reverence and patriotism.

Memorial Day should be the most sacred day of our whole year. It should be different than the other 364 days because we are not only remembering, but we are instilling into the plastic, formative mind of our boys and girls the idea that we should do reverence to the memory of those who gave their lives that our country might live.

We also want to teach the lesson of remembrance. We as Americans must remember our dead ones who have gone before us. Most people are prone to forget; so it is good for us to have a Memorial Day that is observed.

## THE HOME TOWN PAPER

Did you ever stop and think about the town paper? Every once in a while you want it to say something about you. Of course you expect the thing said, to be couched in complimentary expression. In fact, you kind of like to see your name in print and you show it to the rest of the family At least that is what we do. Then, too, you expect the paper to boost the town so that your real estate will be worth more and so that your business will be better.

We are assuming, of course, that you are a good citizen and do the things you should and leave your neighbor's property and character alone, otherwise we may have to print some unpleasant things. Even then though you like to read about it

Such being the case we believe that every good citizen should support the local papers by word of mouth, by contribution of time and by the coin of the realm.

## THE AMERICAN LEGION

As we saw the forty or more boys of the Legion marching Wednesday it brought to our mind the thought that these young fellows were to be the ones who would carry the ideals of patriotism that has so long been carried by the Grand Army of the Republic, which will soon be but a memory.

A great war gave these Legionnaires a different idea of patriotism and devotion than they had had before. Before the war they were good citizens, but they didn't have the same reverence for our traditions and history that they have now. When they swore allegiance and put on the uniform of the United States of America a new meaning of service came to them.

When we look back just a few years it seems srange that so much could have happened. A great war lord started a war and a lot of boys named George and Tom and Ed and John went over towards the border of his country and because of their spirit of bravery and daring and because of the traditions they revered, the king is now an outcast and an exile in a foreigin land and these boys have spread the doctrine of democracy and freedom and have made the world a better place in which to live.

We're proud of the American Legion. May they long teach and live so that our best ideals and ideas may not only be perpetuated here, but carried to every civilized country.

## A LABOR BANK

The recent opening of a labor bank in New York City is one of the most significant events of recent years. Its real significance is not revealed in any of the statement regarding the way in which it is to be managed. There are not many right ways to manage a bank. There are a great many wrong ways leading to failure and loss. Its significance consists in two facts. The first is that American laborers have money enough to finance it. It is said to have received more than half a million dollars of deposits the first day. There is no other country where such a thing could have happened. The second is that its promotors are planning to use the money deposited with it for financing productive industries. That is an acknowledgement that capital is necessary for the development of indutries and that it is a good thing for labor to have industries developed.

As a matter of fact, every laborer who saves money and deposits it in a soundly managed bank does himself good in two distinct ways In the first place he receives interest on his deposit. Even if he only has a hundred on deposit, and receives only four percent interest, he adds four dollars more a year to his income. That is a small item, but it is definite, measurable and easily understood. In the second place he increases the demand for labor and tends to raise wages, his own included. Of course, his hundred dollars will not make much impression on the whole labor market, but when thousands of laborers combine their savings until they mount up into millions, the effect begins to be noticeable.—Youth's Companion.

## REVERENCE FOR LAW

Let reverence for the laws be preached by every American mother to the lisping babe that prattles on her lap. Let it be taught in schools and seminaries, and in colleges. Let it be preached from the pulpits, proclaimed in legislative halls, and enforced in the courts of justice. In short, let it become the political religion of the nation.—Abraham Lincoln.

## JOE FITZPATRICK GRADUATES FROM SANTA CLARA

Joe Fizpatrick, youngest son of Judge Edward F. Fitzpatrick, who has been attending the University of Santa Clara for the last 8 years, except for the time he served in the navy during the last war was awarded a Bachelor of Laws degree from that institution last Wednesday. During his time at Santa Clara Joe took an active part in both the athletic and cultural side of the school life as he did in the schools of Redwood City when he was a student here. For two years he was a captain of the Santa Clara baseball team on which he played for four years.

As soon as the young man has passed the state bar examination he is expecting to be associated with his father in his legal practice in Redwood City.

a better crude makes a *better* Oil

Zerolene oils are made from selected Western Naphthenic Crude, which repeated tests have shown to produce an oil having greater "crawling" qualities, greater adhesiveness, and greater stability than oils made from other crudes. *Hence the car lubricated with Zerolene will use about 5% less gasoline because it is continuously better lubricated.*

Moreover, Zerolene produces less carbon than any other oils we have tested or been able to produce. *Cars lubricated with Zerolene run from 25% to 50% farther* before valve-cleaning and carbon-removing operations are necessary.

Insist on Zerolene—even if it does cost less.

# SENATOR MOREHOUSE DIES IN NEVADA

Senator Harry V. Morehouse who died in Nevada last Monday was well known in this section twenty-five years ago as a spell binder of no ordinary ability. Every republican campaign found him on the stump in this county. He resided in those days in San Jose where he enjoyed a lucrative law practice. Morehouse belonged to the old school of oratory that held large audiences spell bound for hours at a time. He loved to soar to lofty heights squeezing the eagle on his right until it screamed and then at dizzy heights would wave the bloody shirt.

His style of oratory held the crowd in those days he could always claim any hall in San Mateo county. All were anxious to hear the eloquent southerner.

Contemporaneous with Morehouse was the late John F. Dare, an orator of the safe school. Dare always took the stump for the late Charles N. Felton, whose friend he had been for many years and from whom he had received numerous political favors. Dare was a splendid campaigner whose services he gave freely to his party. When Felton was senator he made Dare U. S. Appraiser at San Francisco.

Morehouse represented San Jose in the state senate for several terms, always doing the bidding of the Southern Pacific Railroad Company—that was when the railroad company was in politics.

Morehouse lost his grip. He left for Tonopah during the gold excitement many years ago to start life anew. At one time he was a candidate for the U. S. Senate from Nevada. It is said he recouped his fortune before his death. Morehouse's forensic eloquence will be recalled by elderly timers in this community.

# SKYLINE BOULEVARD UNIT TO BE FINISHED

Supervisor Richard J. Welch of San Francisco received a telegram from Harvey M. The stretch of highway is approximately twenty miles long and has been the subject of much controversy in Santa Cruz county.

### REDWOOD CITY WOMAN SUFFERS PARTIAL STROKE

Mrs. Chas Littlejohn is suffering from a stroke of partial paralysis which came upon her last week. Mrs. Littlejohn was in her yard at the time she was taken with the affliction, and had to be carried to her bed to which she has been confined ever since. While the unfortunate woman's condition is very serious, she has, according to those in attendance, a good chance for recovery. She has shown marked signs of improvement, and her many friends are encouraged in her condition and are wishing her a rapid reovery.

The following article is taken from the San Francisco Daily News in its resume of members of the legislature:

"M. B. Johnson, San Mateo county, one hundred per cent for the people. Chairman of the senate efficiency and economy committee that buried more rotten bills than any in the legislature."

Senator Johnson is one of the most influential legislators in the state service. He was one of the progressive senators and did much good work. He is certainly a credit to San Mateo county.

### MILLBRAE DAIRY COW RECORD FOR PRODUCTION

A production record of milk and butterfat for a purebred Holstein owned by the Millbrae Dairy, Millbrae, California, is announced by the Advanced Registry office of the Holstein-Friesian Association of America.

In 305 days Sleepy Barrilos Pontiac (C. C. 226d) produced 16047.4 lbs of milk and 567.29 lbs of butterfat, equal to 709.1 lbs of butter. She freshened at the age of three years and four months before this test.

Records of milk and butter production of merit in the dairy world are coming as fast as home runs in the sports field. This week the sixty-eighth Holstein cow to produce over 1,000 pounds of butterfat is announced. She is a California cow by the name of Irene Segis Pontiac, five and a half years old. Her official record is 30,022 lbs of milk and 1,017 lbs of fat, equal to 1,271 lbs of butter. Only 90 cows of all breeds have produced 1,000 lbs of butterfat in one year.

### MAN TIRES TO KILL WIFE, SLAYS SELF

That Robert H. Liddell, San Francisco clothing cutter of San Bruno, first attempted to strangle his wife before ending his life at his temporary home near Peardale was testified before Coroner T. M. Harris. Liddell came to Grass Valley two weeks ago on account of ill health. At 3 o'clock Friday morning he arose and attacked his wife who broke away from him, and securing a loaded shotgun, threw it out of the window and fled to the brush. Liddell secured the gun and fired a shot into his head, but that not proving fatal, he slashed his throat. In the meantime Mrs. Liddell ran more than a mile to arouse neighbors and found her husband dying when she returned.—S. F. Chronicle

Robert Liddell was well known here as he had resided in San Mateo county for many years and took an important part in republican politics. The funeral took place Monday and was under the direction of the San Bruno Yeomen. Interment was in Cypress Lawn cemetery.

### MOTOR VIOLATOR GETS TEN DAYS IN JAIL

S. Hull, Palo Alto plasterer, failed to heed the advice of Police Judge Albert Mansfield and as a result is passing ten days in the county jail here. Hull was arrested last week for driving an automobile without headlights. He was fined $10 and lectured to by Judge Mansfield, who advised Hull to have his lights fixed immediately. Wednesday night he was arrested a second time for having no lights, and when brought before Judge Mansfield Thursday pleaded guilty. The Judge failed to deliver the regular lecture, thinking such was useless, and sentenced Hull to ten days in the county jail.

### REDWOOD HIGHLAND BOYS LOSE TO SAN MATEO

Thursday afternoon at San Mateo, the Redwood Highlands Boys' baseball team was defeated by the San Mateo lads by a score of 4 to 5. The game was strongly contested from start to finish and showed that both teams are paying close attention to the game and have been in close practice. For lads they are playing well and promise to develop some good material for future high school teams.

Each team now has a victory to their credit. Redwood defeated them last week 6 to 7 on the local diamond. Next Thursday the two teams will meet on the Redwood City diamond

LAUNDERING LINGERIE DE LUXE

is a fine art and we are past masters at it. It is no easy matter to wash and iron those dainty, fluffy, lacy things which are so dear to the heart of womankind. But we do it to the women's satisfaction, as is evidenced by the large volume of this class of work we have. So much easier to have us do it than do it at home.

*Cleaning, Without Odor by the* **F. Thomas** *Process*

Our many years of experience has taught us that it is impossible to do perfect cleaning with cheap, inferior methods. That is why we found it necessary to invest nearly $500,000 in the equipment of a plant and the establishment of an expert organization to do the quality of work demanded by our customers.

With the "F. Thomas Process" we not only remove every particle of dust but we return your garments without that usual disagreeable smell of gasoline. Every drop of gasoline we use in cleaning is redistilled and very highly refined.

Raw gasoline—the kind that you buy for your automobile—is full of heavy oils and unfit for cleaning fabrics. It is little better than ordinary distillate and leaves a sickening "gasoline" smell in your clothes.

**Founding of San Francisco**

THE beginning of San Francisco was a very modest one. It was founded September 1st, 1776, as a mission settlement under the direction of Father Junipero Serra who had always wanted a mission established somewhere in California in honor of the beloved patron saint, Francis.

The mission grounds were 247½ feet square. The historic old structure—Mission Dolores—still exists as one of the monuments of the early civilization of the native California Indians.

San Francisco is the birth-place of the Bank of Italy. In this city at the corner of Market, Powell and Eddy Streets is located the beautiful Head Office building of California's largest financial institution.
